- As a content-projects creator I shot and edited over 200 branded videos for various platforms (Facebook, IG, YouTube, TikTok and others).
- Wrote scripts for documentaries, commercials and video sales letters.
- Created director's storyboards with quick pencil sketches before shooting.
- Directed, filmed and edited professional video sales letters and commercials which led to a 247% increase in revenue YTD.
- As a team leader was responsible for all the pre-production details: actors casting, location scouting, timing, budgeting etc.
- Worked on filming and post-production processes: editing, VFX, color & sound design.
- Overseen freelance production and post-production specialists, such as Sound mixers, Makeup and Special effects artists.
- Actively collaborated with senior management to provide strategic advice and guidance on project management and production issues related to all video content.
